In business for over 35 years, JR Home actively sells to home improvement retailers across Canada and the US. Our niche is providing quality, innovative, home-based lifestyle products from around the world to North American retailers.

We actively invest in innovative products, customer support, sales management, and marketing. We offer clients logistics support through our warehousing at our Ontario, BC, and TN locations.

JR Home also has international product development and sourcing offices in China, Vietnam and Malaysia. Core categories include: Outdoor Furniture, Outdoor Heating, Pottery, Electric and gel fuel fireplaces, stoves, indoor wood and upholstered furniture, decking products and screen doors. We pride ourselves on ensuring excellent inventory turn through relevant, inspirational POP and merchandising.
